- Team Player
- Enthusiastic
- Abstract Thinker
- Problem Solver
- Self-Disciplined

PERSONAL PROJECTS

Journal (07/2025 - 09/2025)

- My graduation project for Coding Factory. Utilizing a robust Spring Boot backend that was made from scratch, it allows users to create short daily descriptions of their routine and revisit later.

MyBank (12/2025 - now)

- A small project using Java HttpServlets and gradually transitioning from a pre-Spring approach to utilizing the Spring Framework.

VOLUNTEER EXPERIENCE

Allos Anthropos (09/2023)

Voluntary participation in the restoration of Volos from the devastating after effects of the Daniel storm
