

Curriculum Vitae

**MARIOS SUNAS
MARINE ELECTRONICS & ELECTRICAL
ENGINEER**

PERSONAL INFO	
NAME	Marios Sunas
Address	4 Bosporou st. Piraeus Greece
Phone no	+30 6948980329
Family status	Married
Email	m.sunas@gmail.com
Citizenship	Greek
Birth date	26/06/1960

EDUCATION	
• School	Electrical & Electronics Engineering Sivitanideios senior school (Bachelor Degree)

TRAININGS	
02/2007	Lehmann & Michels: Engine Performance Monitoring
11/2000	Furuno: GMDSS, Radars, E/S, Satellite systems
04/1998	JRC: GMDSS, Radars, E/S, Satellite systems
05/1992	Robertson-Simrad: Navigation systems

EXPERIENCE	
• Dates	12/1982 – 6/1992
• Company name	MARAC Electronics S.A.
• Type of company	Marine electronics
• Position	Electronics engineer I was responsible for installations, repair, maintenance of radars, gyrocompasses, auto pilots, satellite navigators, communication systems, steering gears, general alarms, fire alarms, VHF, MF-HF communication systems, types of equipment SPERRY, SAILOR, THRANE & THRANE, ANSCHUTZ, TOKYO KEIKI, SELENIA, YOKOGAWA, JRC, FURUNO etc.

• Dates	12/1992 – 6/2003
• Company name	MSTC Electronics S.A.
• Type of company	Marine electronics
• Position	<p>Technical Manager for Marine Electronics.</p> <p>I was responsible and supervising for 12 engineers in installations, repair, maintenance of radars, gyrocompasses, auto pilots, satellite navigators, communication systems, steering gears, general alarms, fire alarms, VHF, MF, HF GMDSS communication systems etc types of equipment are SPERRY, SAILOR, THRANE & THRANE, SKANTI, KELVIN HUDGES, DECCA, ANSCHUTZ, TOKIMEK, YOKOGAWA, JRC, FURUNO etc.</p>

• Dates	07/2003 – 08/2008
• Company name	Gulf Energy Maritime
• Type of company	Shipping Company
• Position	<p>Marine Superintended Electronics and Electrical Engineer with responsibilities in automation, navigation and communication equipment.</p> <p>I was responsible for installations, repair and maintenance of main engine alarms, engine monitoring systems, boilers, ballast monitoring systems, radars, gyrocompasses, auto pilots, satellite navigators, communication systems, steering gears, general alarms, fire alarms, VHF, MF, HF etc.</p> <p>I have worked in my career almost all types of automation, navigation and GMDSS communication equipment as SPERRY, RAYTHEON ANSCHUTZ, YOKOGAWA, SKANTI, KELVIN HUDGES, SAILOR, PLATH, TOKIMEK, KELVIN HUDGES, FURUNO, JRC KONGSBERG, MITSUI, TERASSAKI, TOTEM PLUS etc. Also I was responsible for the new building vessels as site electrician on the shipyards.</p>

• Dates	08/2008 – 3/2012
• Company name	MAREX SOLUTIONS S.A.
• Type of company	Marine electronics, Land Automation, Energy Systems
• Position	<p>Technical Manager for Marine Electronics and automation, Land Industry Automation and Energy Systems.</p> <p>I was responsible and supervising for 15 technicians electronics and electrical engineers and also I prepared the offers for the big clients and invoicing the costumers.</p> <p>Marex has three fields of works. In the marine field usually the team of electronics engineers repair, install and make maintenance in GMDSS communication, navigation, performance monitoring systems and automation equipments like SPERRY, RAYTHEON ANSCHUTZ, YOKOGAWA, SKANTI, KELVIN HUDGES, SAILOR, PLATH, TOKIMEK, KELVIN HUDGES, FURUNO, JRC, KONGSBERG, MITSUI, TERASSAKI, TOTEM PLUS, SIEMENS etc. and the team of electricians usually works in automation, solar panels and energy efficiency products.</p>

• Dates	03/2012 – today
• Company name	Shipping Company
• Type of company	Shipping Company
• Position	<p>Marine Superintended Electronics Engineer with responsibilities in navigation and communication equipment.</p> <p>I am responsible for installations, repair and maintenance of radars, gyrocompasses, auto pilots, satellite navigators, communication systems, steering gears, VHF, MF-HF e.t.c.</p> <p>I have worked in my career almost all types of navigation, GMDSS communication equipment, AIS, GPS, Sounders, Speed logs, satellite communication systems as SPERRY, RAYTHEON ANSCHUTZ, YOKOGAWA, SKANTI, KELVIN HUDGES, SAILOR, TOKIMEK, KELVIN HUDGES, FURUNO, JRC etc.</p>

LANGUAGES

English - Greek

COMPUTERS

Very good knowledge:

- Microsoft Office Word
- Microsoft Office Excel
- Microsoft Office PowerPoint
- Microsoft Office Outlook
- Microsoft Windows
- Internet
